*Proceedings of the Madras Government, Revenue Department,
14th October 1863.*

No. 160. Read the following letter from the Honorable C. PELLY, Member of the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 28th September 1863, No. 1,623 :—

SIR,

1. To enable me the better to judge what Establishment should be recommended for the additional Civil Treasury in Malabar, which under the orders of Government is to be re-established, I have the honor to request that I may be informed whether the Officer in charge will have to cash the Cheques of the Military Paymaster in favor of Military individuals as well as the Cheques of the Collector, or whether he will only have to transmit cash to the Military Paymaster in lump sums, for payment by that Officer to individuals and Military Department.

2. I assume that it is now the intention of the Government that the Civil Treasury should receive remittances from the Northern Talooks, and that they should not be sent as before to the Paymaster direct from any Talook.

3. The Collector has recommended that the Civil Treasury should not be located as in former years at Tellicherry, but at or near Cannanore, and that the Tahsildar's head quarters of the Cherakal Talook should be moved from Taliparamba, 10 miles distant from Cannanore, to Pallikunur, 2 miles distant from that town, and that the Treasury should be placed under his charge. But whether this arrangement will be feasible will much depend on the nature of the duties which the Officer in charge will have to perform, and respecting which I have above solicited the orders of Government.

No. 161. ORDER THEREON, 14th October 1863, No. 1,875.
