No. 196. ORDER THEREON, 16th October 1863, No. 1,883.

1. The above returns were called for to enable the Government to judge whether the existing arrangements in regard to Travellers' Bungalows needed revision. It is quite clear that this is the case. In some instances Bungalows are retained which, owing to the opening of the Railway and other causes, are rarely visited by travellers, and in others Establishments altogether disproportionate to the number of travellers frequenting the buildings are kept up.

2. Taking the Madras District, for example, the Bungalows at Vaneanchavedy and Alambarai were frequented during twelve months by respectively eight and three travellers, and an Establishment costing Rupees 57-9-0 per annum is kept up at each. At the Red Hills an Establishment costing Rupees 91-2-0 is maintained for the convenience of 47 travellers, while at Karanguli one costing Rupees 138 is kept up for only 38 travellers.

3. The Bungalows at Vaneanchavedy and Alambarai should be abolished. Two Sepoys and a Sweeper should be maintained at Goomedipoondy and Goodoovanjery; a full Establishment at Chingleput, and a Sepoy and Sweeper at each of the rest. The Establishment would thus be reduced from Rupees 1,194 to Rupees 723.

4. The Board are requested carefully to revise the returns from each District, and to submit a list of the buildings which, in their opinion, ought to be retained.

5. They will also revise the Establishments with reference to the degree in which each building is frequented.

6. The first thing is to lay down scales of Establishment, and the Government think the following would be suitable:—

		Rs.	A.	P.
For Bungalows little frequented,	1 Sweeper	24	0	0
	1 Sepoy, ...	33	10	0
		57	10	0
For do. more frequented,	1 Sweeper	24	0	0
	1 Maty	60	0	0
		84	0	0
For much frequented buildings	Sweeper	30	0	0
	Cook	72	0	0
	Maty	42	0	0
		144	0	0

Proceedings of the Madras Government, Revenue Department, 16th October 1863.

7. The Board will also re-consider the rates of fees levied at the Bungalows. From the returns submitted, the Establishments cost 19,716 Rupees, while the fees amount only to Rupees 9,000. The Board will suggest rates which will in the aggregate render the Bungalows self-supporting at least as regards Establishment.

1. Ordered to be submitted for the information of Government, with reference to their Proceedings dated 29th April 1863, No. 740.

2. The Collector is in error in supposing that the wages of the extra servants are paid out of the Bungalow fees. These fees are credited to the general revenues, and the salaries of the extra servants, as well as those of the Sweepers and Sepoys are paid out of those revenues. The full cost of each Bungalow Establishment should therefore have been shown in column 4 of the List.

Read the following letter from J. W. B. DYKES, Esq., Collector of Nellore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 6th June 1863, No. 177:—

1. I have the honor to acknowledge the receipt of the Board's Proceedings under date the 11th ultimo, No. 2,781, and in forwarding a tabular Statement in the prescribed form for the Cook and Sweeper required for the Dugarazupatnam Travellers' Bungalow, to state with reference to paragraph 1 of the Proceedings of Government dated 4th ultimo, No. 760, received with the Board's Orders under reply, that the Bungalow not having been out-fitted with furniture, &c., before the month of February last, no fees were levied nor record kept of the number of travellers who halted at the Bungalow before then. In the margin I give the number of travellers, and amount of fees realized in March and April 1863.

March..	5	1	8	0
April..	7	9	0	0
Total..	12	10	8	0

2. With regard to the Government remark in paragraph 2 of their Proceedings above quoted, as to how the past year's charges for both Cook and Sweeper are to be met, I have the honor to explain as regards last year, that out of an allotment of 3,900* Rupees in the Budget for 1862-63, the expenditure amounted to about 1,900 Rupees, and the charge for that year, viz., Rupees 36-9-3, can be met from the provision thus made. Whilst the estimated charge for 1863-64 can also be met from provision made for such charges in the Budget for the current year, to an extent again of Rupees 3,900 under the same head. But for this no sanction has as yet been received.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 11th September 1863.

Read the following letter from C. W. READE, Esq., Collector of South Arcot, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Cuddalore, 22nd August 1863, No. 236:—

In further acknowledgment of the Board's Proceedings; No. 4,863, dated the 4th instant, I have the honor to bring to notice, in reference to the concluding sentence of paragraph 2, that the Bungalow at Kurinjipady ought to be retained. It is the only halting place for travellers and others between Cuddalore and Virdachellum, a distance of 37 miles. I therefore propose to keep it as it is. The Bungalow at Toladoor may be dealt with as suggested by the Board in like manner as the other four Bungalows sanctioned for disposal. The Bungalow at Toladoor is of the same class as the Bungalows of Eryoor and Conjaroyapoliem and is as little required for the public convenience.

1. Ordered to be submitted to Government in continuation of Board's Proceedings under date 4th August 1863, No. 4,863.

2. The Board recommend, in compliance with Mr. Reade's suggestion, that Kurinjipady should be retained.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 12th September 1863.

Read the following letter from P. GRANT, Esq., Collector of Coimbatore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Ootacamund, 24th August 1863, No. 196:—

1. With reference to the Board's Miscellaneous Circular of the 2nd May 1863, No. XXXVIII, I have the honor to submit a List of the Public Bungalows in the District prepared in the form prescribed.

2. The furnished Bungalows at Coonoor, Matopolliem, and Coimbatore, have been made over to Mr. Smith, to be used as Hotels as per Order of Government dated 13th August 1862, No. 1,709, and the Establishment kept up in these Bungalows, dispensed with from the day they were transferred to Mr. Smith.

3. The Bungalows at Caroomuttomputty and Chengapully are now little used by travellers in consequence of their being situated on the line from Coimbatore to Madras, which has been susperseded by the railroad, the two other Bungalows on the same line, viz., Bowany and Perindoray are not included in the list, they having been appropriated to other public purposes as per orders of Government marginally indicated. The furniture and crockery that were kept in the above Bungalows have been withdrawn. Some of them were sent to the more frequented Bungalows, the rest being reserved to supply breakages, &c.

Bowany made over to the Head Assistant Collector's Office, under orders of Government dated 24th April 1862, No. 884.
Perindoray made over to the Police Department, under orders of Government dated 18th December 1862, No. 2,058.

4. At Pooliemputty on the road from Coimbatore to Mysore *via* Sattimungalum, there does not now exist a separate Bungalow, the old building there having fallen to ruins long ago; a portion of the native Chuttrum there, divided by a partition wall, is however used by European travellers, and the Sweeper formerly attached to the old Bungalow is now employed to keep clean that part of the Chuttrum set apart for Europears.

5. At Danaickencottah on the road to Mysore, *via* Gazzelhutty, the Bungalow appears to have fallen down several years ago, but the Sweeper belonging to it is employed in the Chuttrum at Kallaur at the foot of the Coonoor Ghat. The annual cost on account of these two Sweepers is also included in the list now sent.

Read also the following letter from the same Officer, dated 8th September 1863, No. 145 :—

1. With reference to the Board's Proceedings dated 26th August 1863, No. 5,354, suggesting the employment of a Maty on Rupees 5 at each of the five Bungalows in this District, and to dispense with the pensioned Sepoys, I have the honor to state that I fear it would be difficult to obtain the services of a Maty at an out-station Public Bungalow for the wages proposed.

2. Were Rupees 6 monthly allowed for the purpose, I would at once employ a Maty at Kurnool, and at the other stations where the Sepoy failed to satisfy the requirements of travellers; but where the pensioned Sepoy afforded satisfaction, I would not recommend his removal, but would allow him the increase of pay proposed by me in the Statement forwarded with my letter of the 21st July last.

The Board resolve to submit the Collector's former letter to Government, with their recommendation that sanction be obtained for his proposals.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 1st October 1863.

Read the following letter from C. W. READE, Esq., Collector of South Arcot, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Cuddalore, 8th August 1863, No. 221:—

1. As desired in the 1st paragraph of the Board's Proceedings of the 4th instant, without number, I have the honor to submit a separate Statement giving the particulars of information therein called for, and showing that due sanction has been received for the "Extra Establishment" for certain Public Bungalows in this District.

Crevanellore, Ansanore, Congaroya-poliem, Eryore.

2. In reference to the 2nd paragraph of the Board's Proceedings, I will have the Bungalows declared available for sale or other purposes at once valued by the Engineer's Department, and meanwhile I will ascertain if any of them are required for use by the Officers of other Departments. I fancy the Police Department will be very glad to secure one or two, and in this event I presume they may be made over at the valuation fixed by the Engineer. The same course will be followed in respect to the other two Bungalows named by the Board at Kuringypady and Poladoor.

3. The Deputy Collector, Mr. Wright, has been absent during the past month, and has only just returned. After communication with him on the subject of the Board's observations in their Proceedings of the 8th ultimo, No. 4,146, I will again address the Board finally in the matter.

ENCLOSURE No. 1.—List of Bungalows.

1. Ordered that the Collector's letter be submitted to Government with reference to their Proceedings, No. 1,306, dated 16th July 1863.

2. In the above Proceedings the Board were requested to explain what was meant by Extra Establishment in the list of Public Bungalows in the District of South Arcot, submitted to Government with the Board's Proceedings, No. 3,589, dated 18th June 1863, and under what authority it had been entertained. The Collector explains in the enclosure to his letter that the Establishment* was entertained incorrectly, as it seems to the Board, under the Orders of Government, No. 894, dated 7th September 1857, authorizing the Collectors to expend small sums not exceeding 20 Rupees on account of contingent charges connected with the Bungalows, keeping a separate account of their transactions in order to show the working of the Bengal system of charging for Bungalow accommodation.

* Tindivanum, Munjacooppum, Ammapett, Manjacooppum, } 1 Maty each at Rupees 3½ per mensem each servant. 1 Waterman at 2½ Rupees per mensem.

3. The reason of the Establishment being called extra is that the charges on account of it have been disbursed without audit in anticipation of the sanction of the Government of India.

4. A Tabular Statement for the permanent increase, which it has been considered desirable to make to the Establishments attached to the Bungalows at Tindivanum, Munjacooppum, and Ammapett, has been submitted to Government with the Board's Official Memorandum, No. 604, dated 14th August 1863.

The above returns were called for to enable the Govt to judge whether the existing arrangements in regard to Travellers' Bungalows needed revision, & not. It is quite clear that this is the case. In some instances Bungalows are retained which owing to the opening of the Railway and other causes are rarely visited by travellers and in others establishments altogether disproportionate to the number of travellers frequenting the buildings are kept up.

Taking the Madras District, for example, the Bungalows at Vaneanchavadi and Alambarai were frequented during 12 months by respectively 8 and 3 travellers, and an establishment costing Rs. 57-9 per annum is kept up at each. At the Red Hills an establishment costing Rs. 91-2 is maintained for the convenience of 47 Travellers while at Karanguli one costing Rs. 138 is kept up for only 38 travellers.

The Bungalows at Vaneanchavadi and Alambarai should be abolished, two Sepoys and a Sweeper should be maintained at Goomedipoondy and Goodoowanjery - a full establishment at Chingleput and

Sepoy and sweeper at each of the rest. The establishment would thus be reduced from Rs. 1194 to Rs. 723.

The Board are requested carefully to review the returns from each District and to submit a list of the buildings which in their opinion ought to be retained.

They will also revise the establishments with reference to the degree in which each building is frequented.

The first thing is to lay down scales of Establishment and the Government think the following would be suitable.

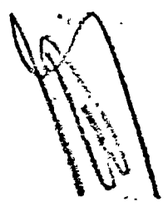

For ___ gatows little frequented 1 Sweeper 24
1 Sepoy 33-10
57-10

For ___ more frequented 1 Sweeper 24
1 Peon 60
84

For much frequented Buildings 1 Sweeper 30
Cook 72
Peon 42
144

The Board will also reconsider the rates of fees levied at the Bungalows. From the returns submitted the establishments cost Rs. 19,716 while the fees amount only to Rs. 9000. There is no reason why the State should incur this outlay independent of the cost of furniture, building and repairs. The Board will suggest rates which in the aggregate will render the Bungalows self

self-supporting at by
as regards establishment.
