Proceedings of the Madras Government, Revenue Department, 19th October 1863.

No. 227. Read the following Proceedings of the Board of Revenue, dated 15th September 1863:—

Read the following letter from W. J. RAYNOR, Esq., Officiating Civil Paymaster, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Fort Saint George, 5th September 1863, No. 1,239.

SIR,

With reference to the Proceedings of the Board of Revenue, dated 17th ultimo, No. 5,119, I have the honor to state that the salaries of the Town Magistrate and two Peons, passed in this Office from August to November 1860, were according to the old scale of Establishment for the Town of Calicut; while the items which the Collector of Malabar now claims are part of the new scale sanctioned in G. O. dated 3rd November 1860, No. 2,038, and cannot therefore be admitted with retrospective effect unless specially sanctioned by Government.

1. Resolved that the above letter and the correspondence noted in the margin be submitted to Government, with the Board's recommendation that the Officiating Civil Paymaster be authorized to pass the salaries of a portion of the new Establishment sanctioned in Government Order, dated 3rd November 1860, No. 2,038, for the Sub-Magistrate of the Town of Calicut with retrospective effect from 11th August 1860, on which date the new Police took charge of the Town, and the revised Establishment was introduced.

Board's Proceedings, dated 31st March 1863, No. 1,935.
From Collector of Malabar, 22nd May 1863, No. 96.
Board's Proceedings, dated 17th August 1863, No. 5,119.

2. The Officiating Civil Paymaster observes that he passed the salaries of the Town Magistrate and two Peons according to the old scale from August to November 1860, while the items objected to form part of the new scale which received sanction only on 3rd November 1860. This is the case, but as the cost of this Establishment is considerably less than the old Establishment maintained at the station, they consider that the Officiating Civil Paymaster might have passed the salaries at the reduced rates from 11th August 1860; as however he requires the special sanction of Government for this purpose, the Board request that it may be granted.

3. The amount to be thus passed from 11th August to 2nd November 1860 is Rupees 65-13-9, as particularized below:—

PROCEEDINGS OF THE BOARD OF REVENUE, dated 26th February 1863.

Read the following letter from G. A. BALLARD, Esq., Collector of Malabar, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Calicut, 30th January 1863, No. 14:—

On the 11th August 1860 the new Police took charge of the Calicut Town. The Establishment of the Police Amin, which cost Rupees 207-8-0 per mensem as per margin, was abolished, and the new scale costing Rupees 84 introduced from that date. The Civil Auditor has however retrenched the pay of the Gomastah, Dufterbund, and Mussaljee from the 11th August to 2nd November 1860, as shown below, on the ground that the revision of the Establishment proposed in Mr. Pelly's letter of the 10th August was sanctioned only on the 3rd November 1860, I have therefore the honor to request you will be good enough to obtain the special sanction of Government to admit of the Civil Paymaster passing the charge.

1 Dufterbund..	7	0	0
2 Peons on 5 Rupees each.....	10	0	0

The Board do not see that the Civil Paymaster had sufficient ground for objecting to the charge referred to by the Collector. The Establishment of the Police Amin was sufficient formerly maintained amounted to Rupees 207-8-0 per month according to the old sanction, but the Town having been taken charge of by the new Police, the Collector very properly entertained from that date the new scale of Sub-Magistrate's Establishment at a much reduced cost of Rupees 84 per month, in anticipation of the sanction of Government, which was received on 3rd November 1860, instead of continuing the old Establishment at the enhanced cost of Rupees 207-8-0 per month. There can be no good objection to admit this charge with reference to the old sanction at least. The Civil Paymaster will be requested to state whether under the circumstances now explained, he has still any objection to pass the charge.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 31st March 1863.

Read the following letter from H. A. MANGLES, Esq., Officiating Civil Paymaster, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 9th March 1863, No. 286:—

With reference to the Proceedings of the Board of Revenue, No. 1,173 of the 20th February last, I have the honor to annex a Memorandum showing the amount passed for the Calicut Town according to the old scale from August to November 1860.

The Gumastah, Dufterbund, and Massaljee are not included in the old scale, and as that did not appear to have been superseded by Mr. Pelly's scheme during the above months, this Office refused to pass the pay of both the old and new scale at the same time.

Ordered to be communicated to the Collector of Malabar in continuation of the Board's Proceedings dated 26th February 1863, No. 1,173. It appeared from the Collector's letter dated 30th January 1863, that the old Establishment of the Police Amin in Calicut, which cost Rupees 207-8-0 per month, was abolished on 11th August 1860, and that the new scale, costing Rupees 84, was introduced from that date; but the Board find from the Officiating Civil Paymaster's letter, that the Establishment for the Calicut Town was passed, according to the old scale, from August to November 1860, the charge far exceeding the amount of Mr. Pelly's scale. It is thus evident that a large portion of the old Establishment was continued during these four months, even after the Town was taken charge of by the new Police. The Collector is therefore requested to explain the matter more fully with reference to the Civil Paymaster's letter.

Read the following letter from G. A. BALLARD, Esq., Collector of Malabar, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Calicut, 22nd May 1863, No. 96:—

1. With reference to the Board's Proceedings, No. 1,935, dated 31st March 1863, I have the honor to state that the details exhibited in the Statement of the Calicut Town Establishment, according to the old scale, as annexed to Mr. Mangles's letter to the Board dated 9th March 1863, are not correct. The items quoted in the 3rd, 6th and 10th to 12th lines of that Statement appertain to the Calicut *Taluk* Magistrate's Establishment, and should not, therefore, have found a place therein.

2. I now beg to enclose a Statement showing the Calicut Town Establishment according to the old and new scale, as well as the amount passed and that remaining unpassed in each month from August to November 1860, by which it will be seen, that the aggregate amount not passed corresponds with that shown in the Memorandum annexed to the foot of my letter dated 30th January 1863, viz., Rupees 65-13-9, and for which amount, I beg to enclose a Supplemental Bill, with a request that the same may, under the above explanation, be passed by the Civil Paymaster.

ENCLOSURE No. 1.

Resolved that the foregoing letter be communicated to the Civil Paymaster with its enclosures with reference to Mr. Mangles's letter dated 9th March 1862, No. 286. The Board presume that, under the explanation now afforded by the Collector, the Civil Paymaster will have no objection to pass the Supplemental Bill submitted by the Collector amounting to Rupees 65-13-9, on account of the Calicut Town Establishment, from 11th August to 2nd November 1860.
