Proceedings of the Madras Government, Revenue Department, 20th October 1863.

No. 233. Read the following Proceedings of the Board of Revenue, dated 7th October 1863, No. 6,383 :—

Read the following letter from the Honorable R. S. ELLIS, C. B., Collector of Madras, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Saidapet, 10th September 1863, No. 352.

SIR,

1. I have the honor to submit a Comparative Statement showing the difference between the Standard Estimate and the Saderwarid charges actually incurred in Fusly 1272, and to request that sanction may be obtained for Rupees 645-4-11 expended above the Standard Estimate to enable the Civil Paymaster to pass the charge.

2. No Estimate was sanctioned for the Deputy Collector's Office at Madras. The charges were incurred in that Office with reference to the Standard Estimate sanctioned by Government for the late Madras Collector's Office on the 25th March 1851.

ENCLOSURE No. 1.

ABSTRACT.—Statement showing the comparison between the sanctioned Standard Estimate and charges of Saderwarid for Fusly 1272, Zillah Madras.

1. Resolved that the above letter and its enclosure be submitted to Government, with the Board's recommendation that the charge of Rupees 645-4-11, being the Saderwarid expenses incurred in Fusly 1272, in excess of the Standard Estimate, be sanctioned.

2. The excess, it will be observed, has been caused chiefly by the purchase of lamp oil and French paper for the Madras Deputy Collector's Office, and the Departments attached thereto, the cost of these articles not having been included in the Estimate originally sanctioned for the late Madras District in Extract from Minutes of Consultation, dated 25th March 1851, No. 291, as lamp oil was then supplied by the Commissariat, and cadjans were in use. The recent Establishment of a Salt Depôt at Homes's Garden, for which no Estimate has been sanctioned, has also occasioned the increase.

3. In the Standard Estimate submitted to Government with the Board's Proceedings dated 6th August 1863, No. 4,895, adequate provision has been made for the Saderwarid expenses of the Departments referred to, and when this is sanctioned, annual application for sanction of excess expenditure will cease to be necessary.

No. 234. ORDER THEREON, 20th October 1863, No. 1,901.

Sanction is accordingly granted for Rupees (645-4-11) six hundred and forty-five, Annas four and Pice eleven.
