SIR,

I have the honor to report with reference to the Order of the Board No. 1,439, dated the 3rd August, that Ramnad is the most eligible station for the head quarters of the Salt Deputy; it is central, has a Post Office, and is the place where the Salt money is kept.

1. Ordered that the above letter be submitted to Government with reference to the Government Order dated 3rd August 1863, No. 1,439, Revenue Department.

2. The Board concur with Mr. Levinge.

No. 249. ORDER THEREON, 22nd October 1863, No. 1,909.

The Government approve the selection of Ramnad as the most eligible station for the Salt Deputy Collector of the Madura District, and sanction the estimate submitted with the letter from the Superintending Engineer of the 8th Division, dated 23rd July 1863, No. 217, for the construction at that place of a two storied building for the accommodation of the Offices of the Deputy Collector and the Head Assistant or other Officer in charge of Ramnad and Sheva-gunga. The portion of the estimate providing for a compound wall at a cost of nearly 900 Rupees is unnecessary and will be struck out. A good hedge with an ordinary gate-way is sufficient.
