Proceedings of the Madras Government, Revenue Department, 23rd October 1863.

No. 256. Read the following Proceedings of the Board of Revenue, dated 9th October 1863, No. 6,483:—

Read the following letter from R. E. MASTER, Esq., Officiating Director of Revenue Settlement, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Madras, 2nd October 1863, No. 1,182/89.

SIR,

Dated 30th September 1863, No. 755.

1. I have the honor to forward copy of a letter from the Superintendent of Revenue Survey, requesting to be informed of the rates at which spare copies of the maps of estates on the Shevaroy Hills and in the Wynad should be sold, and suggesting a scale of prices for adoption. The Government in their Order of the 22nd January 1863, No. 140, sanctioned a scale of moderate prices for Village and Talook Maps, but as the maps of estates are not under ordinary circumstances lithographed, and as the spare copies will meet with but a limited sale, it seems reasonable that a somewhat higher charge should be made for them. I beg to recommend that Major Priestley's scale be sanctioned.

Letter from the Superintendent of Revenue Survey, to the Officiating Director of Revenue Settlement, dated 30th September 1863, No. 755.49.

1. I have received applications for copies of the maps of estates surveyed on the Shevaroy Hills for which payment is at the same time offered. I am however at a loss to know the rate at which a charge for these maps should be made, and do myself the honor to request you will ascertain and inform me of it.

12th February 1862, No. 289.

2. With regard to Wynad the sanction of Government was obtained to a scale of charges for survey with one copy of the map furnished, but as yet I have received no instructions as to the rates to be demanded for spare copies.

3. Considering the additional expense incurred by Government for these surveys* perhaps four times the rate charged for village maps might be considered reasonable. It would stand thus:—

* Shevaroys and Wynad.

Under 1,000 Acres...	1	Rupee.
1,000 to 1,500	1½	„
1,500 to 2,000	2	„
2,000 to 3,000	2½	„
3,000 to 4,000	3	„
4,000 to 5,000	3½	„
Above 5,000.....	4	„

(True Copy.)

(Signed) R. E. MASTER,
Officiating Director of Revenue Settlement.

1. Submitted for the sanction of Government.
2. The scale appears unobjectionable.

No. 257. ORDER THEREON, 23rd October 1863, No. 1,913.

As it appears that the maps in question have not been lithographed, and that copies of them must therefore be made by hand, the simplest plan seems to be to charge the actual cost of copying. This will accordingly be done.
