Proceedings of the Madras Government, Revenue Department, 23rd October 1863.

No. 268. Read the following Proceedings of the Board of Revenue, dated 15th October 1863, No. 6,624:—

Read the following letter from W. M. CADELL, Esq., Collector of Tanjore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Vellum, 6th October 1863, No. 371.

SIR,

1. Among the public buildings at Negapatam, there is one hitherto used as an Hospital but now vacated on account of its dilapidated condition. The Department of Public Works have pronounced it utterly unsafe, and altogether unfit for further use even if repaired, and my object in now addressing the Board, is to request their permission for pulling it down and making over its materials for the rough work, such as foundations, interior of walls, &c., of the building, which is about to be erected as a public Dispensary in a central position at the Town of Negapatam, chiefly by means of private subscriptions, and which have been raised to the extent of Rupees 7,000 for the purpose among the people of the town.

2. The only other use which Government can make of the building above alluded to would be to sell the materials, but as such sale cannot realize any very considerable sum, I trust the Board will concur with me in the propriety of making over the materials for the purpose above mentioned.

---

1. Submitted for the sanction of Government.

2. The Collector will state how he proposes to deal with the site of the condemned building.
