Proceedings of the Madras Government, Revenue Department, 28th January 1863.

No. 383. Read the following letter from P. GRANT, Esq., Collector of Coimbatore, to J. D. SIM, Esq., Secretary to Government, Fort Saint George, dated Coimbatore, 22nd January 1863, No. 6:—

SIR,

1. With reference to the subject of increase of pay to the Neilgherry Tahsildar, I beg to report that there has been nothing wanting on the part of this Office in adopting the necessary measures to fulfil the orders of Government, but the circumstances under which the payment has not been made are explained below.

2. Before the receipt of the Orders of Government of 18th December 1861, No. 2,322, the Budget Estimate of this Collectorate for 1862-63 had been sent both to the Board of Revenue and the Accountant General, in which the pay of the Neilgherry Tahsildar was estimated at 150 Rupees, according to former sanction. With a view to provide for the difference between that sum and Rupees 225, the rate sanctioned in the order quoted above, a Supplemental Budget for 900 Rupees was sent to the aforementioned authorities on the 19th February 1862.

3. In the Government Order of the 2nd May 1862, No. 963, it was remarked that "the increased allowance which is provided for in the Budget for 1862-63" will take effect from the 1st of that month. On the strength of this authority, the pay of Sundra Moodlyar for May 1862 was entered at 225 Rupees in the Pay Abstract of the Talook establishment for that month, which was sent to the Civil Auditor on the 9th June 1862, but this functionary altered it to 150 Rupees, and assigned no reason for this proceeding. Thinking that he did so for want of sanction to the Budget Estimate, I awaited its receipt. An extract from the sanctioned Budget of charges of this District for 1862-63 was received only in the latter part of October 1862 with the Board's Circular Proceedings of 11th idem, No. 6,818, a reference to which shows that the difference of 900 Rupees provided for in Mr. Thomas' Supplemental Budget of 19th February 1862 has not been included in the sanction, as will be seen from the following illustration.

As per original Budget Estimate of Coimbatore Collectorate for 1862-63.

Talook or District Establishment.

	Rs.
Tahsildars	24,300

	73,776
Amount sanctioned as shown in the Extract furnished by the Board under the head Talook or Mofussil establishment	72,876
Difference not sanctioned...	900

4. Under these circumstances it remains for Government to ascertain where the difficulty lies. I will now send a Bill for the arrears due to the Neilgherry Tahsildar for the difference between 150 and 225, and request that Government will be pleased to direct the Civil Paymaster to pass it.

No. 384. ORDER THEREON, 28th January 1863, No. 193.

The Government directed in their Order dated 8th February 1862, No. 250A, that provision should be made in the Budget of 1862-63 for the Tahsildar's increased salary from 1st May last. This has doubtless been done, but if not, the additional charge can easily be met from savings in the Budget. The Collector's bill, when received, will therefore be paid without further delay.

(Signed.) J. D. SIM,
Secretary to Government.

Board's Circular Proceedings of 11th idem No 6818
a reference to which shows that the difference
of 900 Rupees provided for in Mr. Thomas's
supplemental Budget of 19th February 1862 have not
been included in the sanction as will be seen from
the following illustration.

the head Salary or Regular Establish
ment ——— 7287½

It is under these circumstances I remain
for Government to ascertain where the
