Proceedings of the Madras Government, Revenue Department, 30th October 1863.

No. 364. Read the following Proceedings of the Board of Revenue, dated 20th October 1863, No. 6,679:—

Read the following letter from D. F. CARMICHAEL, Esq., Collector of Vizagapatam, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 26th September 1863, No. 731.

SIR,

1. I have now the honor to reply to Board's Order of 30th July last, No. 1,426, inquiring whether so large a building as is contemplated in the plan then before the Board is necessary for the Narsipatam Talook Cutcherry, now that the Talook has been divided.

2. I was recently at Narsipatam, and it was agreed by the Principal Assistant and myself, in communication with the Range Officer of the Department Public Works, that a sufficient Cutcherry could be constructed on the foundations of the present building. The foundations were pronounced by the professional Officer particularly strong and sound, and there will be a saving to Government of some 4,000 Rupees.

3. It must now be settled where the new Tahsildar of the Sarvasiddhi Talook is to be stationed. When the Golgonda and Sarvasiddhi Talooks were amalgamated, the Tahsildar's Cutcherry at Sarvasiddhi was given over to the Police. It is a mere hovel, and having passed through the entire Talook, I beg to recommend Yellamanchilli as the head station. It is on the high road, and centrically situated, while Sarvasiddhi is in the middle of Paddy fields, and at some seasons almost unapproachable. At Yellamanchilli a new Police Station has been built for the Inspector; and it is always desirable for the Inspector and Sub-Magistrate to reside at the same place.

4. An estimate for a *Sub-Magistrate's* Cutcherry at Yellamanchilli was prepared by Captain Chambers, before it was known that the Sub-Magistrate would be a *Tahsildar* also. Some additions to this building will now be suggested to the Department Public Works.

5. I send a copy of this to Captain Chambers for his information.

---

1. Submitted to Government with reference to their Order of 30th July 1863, No. 1,426, Revenue Department, which is mis-quoted by the Collector as an Order of the Board.

2. On the question of the Cusbah of Sarvasiddhi Talook Mr. Carmichael is referred to Government Order, dated 17th July 1863, No. 1,313, Revenue Department, paragraph 2, in which Yellamanchilli is fixed on for the purpose.

No. 365. ORDER THEREON, 30th October 1863, No. 1,961.

Resolved that the plan and estimate received with the letter from the Superintending Engineer, 1st Division, dated 7th July 1863, No. 379, be returned to him through the Public Works Department, to be revised in the manner suggested by the Collector of Vizagapatam.
