Proceedings of the Madras Government, Revenue Department, 4th November 1863.

No. 31. Read the following Proceedings of the Board of Revenue, dated 25th August 1863, No. 5,299 :—

Read the following letter from H. MORRIS, Esq., Acting Collector of the Godavery District, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Cocanada, 17th July 1863, No. 201.

SIR,

1. I have the honor to request that the Board will be good enough to obtain the sanction of Government for the payment of Rupees 11,707-15-5, to the village servants in that portion of the Sub-division which has been brought under the new settlement.

2. They have hitherto been remunerated from the village charges, which have been discontinued since the introduction of the settlement.

3. I enclose a Statement which furnishes full details, and from which it will be seen that Rupees 13,211-1-0, hitherto collected on account of the support of Pagodas and school expenses, have been deducted.

4. This amount has been anticipated in the Budget under the head of "Village Establishments."

ENCLOSURE No. 1.

ABSTRACT.—Statement showing the amount of remuneration due to the certain village servants in that portion of the Sub-division which has been brought under the new settlement for Fasli 1272.

Ordered to be submitted to Government with the Board's recommendation that the disbursement of Rupees 11,707-15-5, to the village servants in that portion of the Sub-division brought under the new settlement be sanctioned. This charge is in lieu of the payment hitherto made from village charges, which have been discontinued since the introduction of the new settlement and will be itself superseded by the new scheme of Village Establishments proposed by the Honorable Mr. Pelly when it is sanctioned by Government.

No. 32. ORDER THEREON, 4th November 1863, No. 1,980.

The Government observe that the Acting Collector's list contains a number of Officers whose services under the new system will be dispensed with. The Honorable Mr. Pelly will be requested to submit a statement showing the number of Village Officers required and their salaries, on the scale proposed in his letter dated 14th August 1862, No. 1,357, but modified so as to allow a Monigar for every village.

Secretary to Government.

To the Board of Revenue.

the entire produce, as originally intended by Govt, and consequently if a village cess for the above purposes is introduced, it will fall entirely on the Ryots". The Govt observes with reference to these remarks that "the question of imposing a cess for village servants need not be discussed at present" and that "the proposed assessment is moderate enough to admit of such a cess being levied". They added that they "reserve the power of imposing it, if, on consideration, they deem it right to do so". Mr Kelly in his report on the Village Establishments of the District pointed out that the village servants "were not generally remunerated by the State until 1846, since when they have been paid"; that "the sum allowed has formed a charge against the amount of the joint rent of the village" and that "in Mr Revill's new Revenue Settlement he ruled out all cesses of this kind in his assessments". No orders have yet been passed on this report. Thus the question as to whether any separate cess is to be levied or not, or whether any sum is to be set aside from the new assessment for the village servants not having been settled the orders of Govt are requested on the present application for Rs 11,708-
