*Proceedings of the Madras Government, Revenue Department,
6th November 1863.*

No. 77. Read the following Proceedings of the Board of Revenue, dated 18th September 1863, No. 5,926 :—

Read the following letter from G. A. BALLARD, Esq., Collector of Malabar, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Calicut, 10th August 1863, No. 166.

SIR,

* Forwarding Proceedings of Government, dated 18th December 1862, No. 2,632, Revenue Department, No. 157.

1. Adverting to Board's Proceedings* noted, I have the honor to observe that as pointed out in my letter of the 30th ultimo, No. 157, the great dissimilarity of the measures in use throughout the District renders the entertainment of a Stamping Establishment in Wynād of little use.

2. Untill some particular measures or weights are fully generally recognized throughout the District, the entertainment of Establishments to stamp a great variety of local measures seems to me uncalled for.

1. Ordered that the above letter be submitted for the information of Government, with reference to their Proceedings dated 18th December 1862, No. 2,632.

2. The general question of introducing experimentally into other Districts the system obtaining in Madras for stamping weights and measures according to the Government standard, and commended to the Board's consideration in the last paragraph of the Government Order dated 26th February 1863, No. 410, being under disposal, the Board refrain from expressing any opinion on this letter.

No. 78. ORDER THEREON, 6th November 1863, No. 2,000.

Ordered to be recorded.
