SIR,

I have the honor to state that the residents at this station have purchased in England a Turret Clock, which is to be fixed in the Church Tower. It has just arrived and is now being in the Custom House at Madras. As it is intended for the public benefit, and is to be placed in a Government building, I am led to hope that the Government will be pleased to remit the Custom House duty thereon, and I beg to request that you will be good enough to procure the sanction of Government for the remission.
