No. 145. Read the following Proceedings of the Board of Revenue, dated 29th October 1863, No. 6,914:—

Read the following letter from H. G. SMITH, Esq., Acting Collector of Cuddapah, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 13th October 1863, No. 156.

SIR,

I have the honor to state that one Mopparadu Strinivasa Row, an Inámdar of Cuddapah Talook, presented a Petition to the late Collector representing that his Bhatavritti Inám land, specified in the margin, situated under Chadeperalla Tank in the above Talook (for which he holds a Title Deed No. 1,016 from the Inám Commissioner) had been submerged by its water by an extension of the bund, and requesting that in lieu thereof other land under a channel in Copple of the same Talook, which is lying waste, as marginally shown, may be granted him. The Tahsildar was directed to make a report on the matter, and the Superintending Engineer was also requested to the correctness of the applicant's statement. This latter Officer and the Tahsildar both are of opinion that the land in question is actually under water. I have, therefore, the honor to request that you will obtain the sanction of the Board of Revenue to grant to the applicant the land solicited for by him as above specified.

1. Ordered that the above letter be submitted for the orders of Government, with the Board's recommendation that, under the circumstances explained by the Acting Collector, his proposal to grant to the Inámdar in question, Acre 1, Coontahs 23, Annas 10, of fresh wet land lying waste, assessed at Rupees 17-6-3, in lieu of his present Inám measuring 3 Acres, 39 Coontahs, 1 Anna of wet land, assessed at Rupees 17-6-6, be sanctioned.

2. As the Inám is held under a Deed issued by the Inám Commissioner, the Board deem it unnecessary to require the submission by the Acting Collector of a Tabular Statement, such as that prescribed by Government in Extract from Minutes of Consultation, 2nd July 1858,* setting forth the tenure and claim by which the Inám is held, in order to guard against the granting of compensation in respect of rights which might not exist.
