Proceedings of the Madras Government, Revenue Department, 14th November 1863.

No. 169. Read the following Proceedings of the Board of Revenue, dated 27th October 1863, No. 6,871:—

Read again letter from the Collector of South Arcot, dated 22nd July 1863, recorded in the Board's Proceedings, dated 20th August 1863, No. 5,186.

Read also the following letter from the same Officer, dated 6th October 1863, No. 274.

1. In reply to the Board's Proceedings, No. 5,186, dated the 20th August 1863, I have the honor to state that I am unable to specify any particular item in the sanctioned Budget of the current official year, from which the sum of Rupees 758 therein alluded to can be met.

2. I would, however, suggest that the charge in question may be defrayed from the savings available under the various items subordinate to BI. Land Revenue, the aggregate of which will no doubt be more than sufficient to meet the expenditure.

3. The Board are aware that the recent change in the Budget system, which was brought so suddenly into operation, has alone been the cause of every difficulty. I, therefore, trust they will accede to the foregoing arrangement as the only method which occurs to me of meeting it in the present case.

1. Resolved that the above papers be submitted to Government, with the Board's recommendation that the sum of Rupees 1,400, being the estimated cost of country paper for writing the Village Accounts in the new forms during the current Fusly, be sanctioned, the charge to be met, as proposed by the Collector, from the savings in the Budget grant of 1863-64 under BI. Land Revenue.

2. The existing standard estimate of Saderwarid for the District contains no provision for this charge, but the General Standard Estimate, now before Government, provides an ample sum, and the necessity of an annual application for sanction will in future be obviated.

No. 170. ORDER THEREON, 14th November 1863, No. 2,046.

Sanctioned Rupees (1,400) one thousand and four hundred; the charge to be met as proposed in paragraph 1 of these Proceedings.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 20th August 1863.

Read the following letter from C. W. READE, Esq., Collector of South Arcot, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Cuddalore, 22nd July 1863, No. 189:—

1. I have the honor to submit herewith for the special sanction of the Board and Government, an estimate amounting to Rupees 1,400, being the value of country paper required for writing Village Accounts and Puttahs during the current Fasli 1273, and to state that provision for this charge will be made under Taluk Saderward in the Budget of the ensuing year 1864-65, which is now under preparation.

2. In anticipation of the sanction above requested, I have authorized the payment of the necessary sums in advance to the Tahsildars to be adjusted in future by an audited Bill on the receipt of sanction by the Government of India to the Budget grant of 1864-65.

ENCLOSURE No. 1.

ABSTRACT.—Estimate of Charges proposed to incur by the purchase of country paper for writing Village Accounts and Puttahs during the Fasli 1273, in the District of South Arcot.

1. The Collector is informed that under the Ruling of the Government of India contained in the Accountant General's Circular Notification dated 4th June 1863, No. 1, charges incurred in any one year cannot be adjusted out of the Budget grant of the following year. The sum of Rupees 1,400 referred to in the above letter being a charge of Fasli 1273, will apparently come in course of payment in the current year 1863-64, and must therefore be met out of the provision for that year. The Board observe that a similar charge for Fasli 1272 was ordered to be adjusted out of the grant for 1863-64, but this forestalling of future Budget provisions, which is manifestly objectionable in itself, cannot be allowed again under the recent ruling. The Collector is requested therefore to point out from what provision in the sanctioned District Budget for 1863-64 the charge can be met.

Proceedings of Government, dated 8th December 1862, No. 2,561.

2. It is observed that a sum of Rupees 4,637 has been sanctioned in the Budget of 1863-64, on account of the items noted in the margin, but it is presumed that the whole of the amount sanctioned for the Village Saderward is not available, the largest portion of it, viz., Rupees 1,400, having been appropriated in anticipation for the adjustment of the expenditure incurred in Fasli 1272. If this adjustment has already been made as it ought to have been, a sum of Rupees 642 only will be available for the current year's expenses, and the Collector is requested to state how the deficiency of Rupees 758 can be met.
