Proceedings of the Madras Government, Revenue Department, 16th November 1863.

Read the following papers:—

No. 196. From R. E. MASTER, Esq., Officiating Director of Revenue Settlement, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 30th October 1863, No. 1,285/73:—

SIR,

I have the honor to state that certain articles of Stationery purchased in the local markets by my Deputies in Trichinopoly and Nellore, and included in their Contingent Bills for the months of July and August, were struck out by the Civil Paymaster on the ground that they ought to have been procured from the Stationery Office, their purchase in the market being prohibited by paragraph 11 of the Order of Government, 8th October 1862, No. 1,185. I beg to explain that the purchase of the articles in the instances mentioned was unavoidable, owing to the supplies of Stationery not having reached the local Officers, and unless the articles had been bought, the work would have come to a stand still. Similar purchases have been made in the months of September and October. I request that the Civil Paymaster may be authorized to pass the items in the instances now brought to notice. For the future, arrangements will be made to keep the local Officers fully supplied with Stationery from Madras.
