*Proceedings of the Madras Government, Revenue Department,
19th November 1863.*

No. 225. Read the following Proceedings of the Board of Revenue, dated 23rd October 1863,
No. 6,810:—

Read the following letter from H. MORRIS, Esq., Acting Collector of the Godavery District,
to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Cocanada, 6th
October 1863, No. 334.

SIR,

1. In reply to the Board's Proceedings dated the 28th ultimo, requesting me to report by
what authority the Deputy Collector in charge of the Salt Department has been invested with
Magisterial powers, I have the honor to inform you that he was authorized to investigate all
Magisterial cases connected with his Department by the following paragraph in a letter addressed
to him by my predecessor:—

“ Although I cannot admit that persons guilty of thefts of salt have hitherto always escaped
“ legal punishment I see no objection to cases of the kind, taking place within the range of the
“ salt stores and salt villages, being taken up and disposed of by you as a Sub-Magistrate of the
“ 1st class, and I have issued instructions to the Cocanada and Coringa Sub-Magistrates accord-
“ ingly.” (22nd April 1862.)

2. In these directions, Mr. Purvis assumed that he was giving the Deputy Collector work
in his own Department. A few months previously,
Government Order No. 1,173, 10th June 1861. Government had plainly given him permission to
employ the Deputy Collector in charge of the Salt Department on other duties.

3. I have already reported on the points noticed in the Board's previous Proceedings
mentioned in paragraph 2.

Submitted to Government with references to their Order dated 22nd September 1863, No.
1,736, Revenue Department. The Board have already directed Mr. Morris to relieve Mr.
Leggatt of Magisterial duties.

No. 226.

ORDER THEREON, 19th November 1863, No. 2,073.

Ordered to be recorded.
