Proceedings of the Madras Government, Revenue Department, 20th November 1863.

No. 249. Read the following Proceedings of the Board of Revenue, dated 7th November 1863, No. 7,093:—

Read the following letter from G. A. BALLARD, Esq., Collector of Malabar, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Lakadi, 24th October 1863, No. 232A.

SIR,

1. I have the honor to enclose an original letter from the Sub-division Serishtadar, on special duty, begging that the time on which he and others similarly situated may be employed on the Escheat Settlement may count as service towards pension.

2. I am not aware that there need be any doubt on the subject, these Officers being employed on service to the State of more than usually important and delicate nature; but I know that some apprehension does exist, and I should be glad to have it set at rest by authoritative expression that the time of servants holding substantive appointments specially employed will count as service towards pension.

ENCLOSURE No. 1.

From NARANIAH, Serishtadar on Special duty, North Malabar, to G. A. BALLARD, Esq., Collector of Malabar, dated Tellicherry, 22nd October 1863, No. 38.

SIR,

1. You were kindly pleased to express, when ordering the selection of servants for the Escheat Department, that the services of such of those as are taken from the permanent Establishment shall be considered continuous in the regular line of permanent service.

2. Section 12 of the Appendix B to the Notification, published in the "Fort Saint George Gazette" of the 26th June 1863, emanated from the Government of India, says that the whole of the service in virtue of which pension is claimed must have been passed in an eligible grade and on permanent Establishment. I myself and the greater part of the servants now doing duty in the Escheat Department in North Malabar belong to the permanent service and are anxious that our service should be continuous, an understanding under which we have embarked in the present Department; and I therefore earnestly request that you will be graciously pleased to have this indulgence, which is no more than a right claim secured to myself and the rest of my fellow-servants.

There is no reason whatever to doubt that the time during which the servants in question may be employed in the disposal of Escheats will count for pension.

No. 250. ORDER THEREON, 20th November 1863, No. 2,085.

The Board's view is correct.
