MILITARY DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:

From the Deputy Quarter Master General, Fort Saint George, 9th November 1863, No. 8689; to the Secretary to Government, Military Department.

With reference to the letters printed with the Order of Government, No. 1814, dated 3rd October 1863, Revenue Department, I have the honor, by order of the Commander-in-Chief, to state that His Excellency concurs in the opinion of the Revenue Board that the house now occupied by Captain J. Wright, at Royacottah, need not be interfered with.

2. The house is apparently a building borne on the Returns of this Department for 1829 as "Captains' Quarters." The Return for 1830 is not forthcoming, having probably been destroyed by white ants, which insects have damaged some other documents of the same period. The building however is not on the Returns for 1831, or subsequent Returns. The occasion for its having been written off the Returns must have been recorded in the missing Return, that for 1830. The one fact that it was written off the Returns under competent authority may therefore reasonably be assumed.

3. I have ascertained, from the Inspector General of Mofussil Police, that the Cook-room and Necessary, mentioned in paragraph 2 of Mr. Thomas' letter, are not required by his Department. I am therefore to recommend that they be written off the Returns, and made over to the Public Works Department, to be disposed of to the best advantage on behalf of Government. The Fort Gate, also mentioned in the same paragraph, is not on the Returns of this Department.

ORDER, No. 3632, 13th November 1863.

Communicated to the Revenue Department—the recommendation in paragraph 3 is approved.
