*Proceedings of the Madras Government, Revenue Department,  
23rd November 1863.*

No. 295. Read the following Proceedings of the Board of Revenue, dated 12th November 1863:—

Read again Board's Proceedings 13th May and 2nd June 1863, Nos. 2,848 and 3,251.

Read also the following letter from Lieutenant-Colonel J. C. ANDERSON, R. E., Superintending Engineer, 2nd Division, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Masulipatam, 23th October 1863, No. 982.

SIR,

• No. 2,848, dated 13th May 1863.

ENCLOSURES.

1. Plan.
1. Detailed Estimate.
1. Abstract Estimate.
1. Letter from the Acting District Engineer, Nellore, No. 323, dated 17th February 1863.
1. Do. from Sub-Collector in charge of Nellore, No. 170, dated 24th June 1862.
1. Do. from Mr. Dykes, No. 42, dated 14th February 1863.

1. Referring to the Proceedings of Board of Revenue as per margin,\* I have the honor to re-submit the Plan and Estimate of the Talook Cutcherry proposed for construction at Ongole, and in the event of the Collector having satisfied the Board of the necessity of the work, would beg that it may be submitted to Government for sanction.

2. I have entered 5,000 Rupees as the probable requirements for the ensuing official year, in the Budget Statement for the 2nd Division, and should the Estimate be sanctioned at an early date, it is probable that I may be able to recommend the transfer of funds for the collection of materials during the current year, from other works, on which the expenditure is likely to be within the Budget allotment.

3. Of the whole estimated cost of the building 6,600 may properly be charged to the head "Revenue" and the remainder to "Police."

1: Ordered that the above papers be submitted to Government with the Board's request that the proposed work may be sanctioned. The necessity for it has already been brought to the notice of Government, the existing "barn-like" building being an old native structure transferred to us on the assumption of the District from the Native Government.

2. The plan corresponds with those for other stations which have been approved by the Inspector General of Mofussil Police with the sole proposal that accommodation for the Inspector of Police should be provided by throwing two of the solitary cells into one, and appropriating the room thus formed for the above purpose. The Board approve this proposal, as the one remaining solitary cell will be sufficient for purposes of discipline in the Subsidiary Jail.

Referred to the Revenue Department.
