MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

*he Adjutant General, Head Quarters, Bangalore, 9th September 1863, No. 347; to the
stary to Government, Military Department.*

ave the honor, by order of the Commander-in-Chief, to request, that you will be good
to submit for the decision of Government, whether His Excellency is right in assuming
Captain J. Michael, of the Staff Corps, Assistant Conservator of Forests, cannot retain his
ppointment during the absence on leave on Sick Certificate granted to him in G. O. G.
ugust 1863.

While in the Hyderabad Department Public Works, Captain Michael had leave to
from 13th March 1860 to 8th June 1861. By G. O. 3rd October 1862, Captain Michael
mitted to resign his appointment at Hyderabad, and was appointed an Assistant Con-
of Forests.

The expression "return to it," in paragraph 20 of the Furlough Rules of 1854, has given
the question whether the Rule applies to an Officer, who has changed from the appoint-
e held on last return from Europe, to another Staff situation, as in the case above given.
pe Grant is decidedly of opinion, that the paragraph is applicable to such case, and that
er interpretation of the Regulation would be liable to lead to much abuse.

These is another point, connected with the same Regulation and one perhaps more open
tion, which it is desirable should also be authoritatively decided, viz., how far the said
ph affects an Officer who, having returned from Europe or from Sea, but not as a Staff
is then nominated to a Staff situation; and in less than three years, from the date of his
urn to duty, again proceeds to Sea or Europe on Sick Certificate. Does this Officer
is Staff appointment during absence? The Commander-in-Chief is aware that Major
Sandys, of the Cavalry, who returned from leave to Europe on the 17th December 1853,
appointed to Command the Northern Division in G. O. G. 16th June 1854, again pro-
o Europe on Sick Certificate on the 11th July 1855, retaining his appointment during
and until he vacated under the new Furlough Rules. Vide G. O. G., 28th October 1856.
Hope Grant is not certain that the Regulation was properly carried out in that case.

The decision of Government is solicited in regard to the application of the Regulation
the contingencies mentioned above.
