SIR,

1. With reference to the remarks of Government in paragraph 6 of their Order, dated 11th June 1863, No. 1,023, that "the pay of Rupees 105 of the Superintendent of Cochrane's Canal "seems very high," I have been in communication with the Collector of Madras respecting the Establishment necessary for collecting the tolls, &c., on this Canal. The Board have also had before them letters from the Collector referring to the management of this Canal, and have addressed the Government on the subject. I have the honor to refer to the documents noted in the margin.

Do. do. 7th November 1863, No. 7,085.

Letter from Collector of Madras to Mr. Pelly, dated 15th August 1863, No. 2,623.

2. For the reasons given by the Collector in his letter of 23rd July to the Board, which is annexed to the Proceedings of the Board, dated 7th August, I do not propose to reduce the present salary of the Superintendent more than the odd five Rupees; and I beg to submit the following Establishment for Cochrane's Canal for the sanction of Government; it is the Establishment now recommended by the Collector as necessary, slightly revised by me, and which has also the approval of the Board. The monthly cost will be 241 Rupees. The present cost of the Establishment is Rupees 204 per month. The extra cost of 444 Rupees per annum, or for eight months of the current official year from September to April inclusive, 296 Rupees must be provided from any general surplus at the disposal of Government as no provision is made for it in the Budget.
