No. 357. Read the following letter from ROBERT WALKER, Esq., Honorary Secretary to the Madras Cotton Cleaning Company, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 18th November 1863 :—

SIR,

1. By desire of the Directors I have the honor to enclose herewith for the information of Government, the Prospectus of the Madras Cotton Cleaning Company, to which I beg reference for particulars of the nature and extent of the Company's intended operations.

2. Believing these to be of national importance, the Directors of the Company venture to anticipate that they will receive the active support of Government where needed, and where it can be consistently given, and they trust that Government will be pleased to afford them some assurance to that effect.

3. I am desired to state that the present capital of the Company is only intended for preliminaries, and that as soon as the probable requirements of the Company can be ascertained, its capital will be increased to the necessary extent to enable it to meet the wants of the District or Districts in which its operations may be conducted.

Soliciting an early reply and the return of the enclosure.

No. 358. ORDER THEREON, 26th November 1863, No. 2,138.

The objects which the " Cotton Cleaning Company" have in view are highly important, and the Government feel much interest in the success of their undertaking. The Government cannot pledge themselves in general terms to afford " active support" to this or any Company, as the assistance which they can render to mercantile enterprise must obviously be limited to those general measures of administrative policy which promote and protect the trade and industry of the country at large.
