Proceedings of the Madras Government, Revenue Department, 30th January 1863.

No. 422. Read the following Proceedings of the Court of Wards, dated 16th January 1863:—

Read the following letter from A. P. HODGSON, Esq., Acting Collector of South Canara, to W. HUDLESTON, Esq., Secretary to the Court of Wards, Madras, dated Mangalore, 26th December 1862, No. 146.

SIR,

I have the honor to report for the information of the Court of Wards, that a Hindoo widow, by name Padmacka, a resident of Hosally village, Henner Magane, in Cundapur Talook, died intestate lately, leaving a son and a daughter of ten and seven years of age respectively. The deceased has also left landed property assessed at Rupees 98-9-7, and personal effects valued at Rupees 113-1-0. The children have, it appears, no relations with the exception of a cousin who is an idiot. Hitherto it has been the practice in this District to make an application to the Civil Court, under Section XX of Regulation V of 1804 and Act X of 1831, to provide for the protection of the Estates of Minors, in cases in which the property was of small value, but as I believe it to be the duty of a Collector to obtain the instructions of the Court of Wards in every case of the kind, I have reported the matter in question for the Court's orders.

The case appears to be one in which the ordinary course may with propriety be followed. The Court of Wards accordingly resolve to recommend to Government under Clause 1, Section 3, Regulation 5 of 1804, that the Acting Collector be authorized to apply to the Zillah Court for the appointment of guardian to the Minors.
