Proceedings of the Madras Government, Revenue Department, 30th November 1863.

No. 388. Read the following Proceedings of the Board of Revenue, dated 28th October 1863, No. 6,890 :—

Read again letter from the Collector of Madura, No. 164, dated 31st July, in Cons. 6th August 1863, No. 5,119, requesting orders in regard to the pension enjoyed by a member of the family of the deposed Poligar of Ramnad, and who died on the 13th May last.

Read also the following letter from the same Officer, dated 12th September 1863, No. 189.

Having reference to the Proceedings of the Board under date the 17th ultimo, No. 5,139, I have the honor to report that the family of Pattabi Ramasamy Taver only enjoy an income of Rupees 50 per annum from certain lands and possess a house and jewels to the value of Rupees 2,700.

1. Ordered that the letters above recorded be submitted for the consideration and orders of Government.

2. In the first letter is reported the death, on the 13th May last, at Ramnad, of Pattabi Ramasamy Taver, natural son of Mutturamalinga Setupaty (deposed Poligar of Ramnad), and the recipient of a pension of Rupees 13 per measem under the orders of Government dated the 23rd March and 31st August 1847 respectively. He has left the following family whose present circumstances are also briefly stated opposite to each member :—

1. Mangaleswara Natchiar was second wife of deceased, and is in receipt of a pension of Rupees 10 per mensem under the authority of Government, dated the 13th September 1862, No. 1,980.

2. Mangalasamy Taver, son of deceased, aged 15 years, by the abovementioned widow.

3. The Kalandai Natchiar, daughter aged 20 years by do.

4. Chinna Natchiar daughter aged 20 years, by first wife. Nos. 3 and 4 are married women and live in the families of their husbands.

5. Parvata Vendini Natchiar, daughter aged 30 years, by first wife, is a widow, and was under the protection of her late father having no other means of livelihood.

3. The son, Mangalasawmy Taver (No. 2) prays that the pension may be continued to him, but the Collector recommends that it be equally divided between him and Parvata Vendini Natchiar, the widowed daughter (No. 5).

4. The family of the deceased, enjoy an income of 50 Rupees per annum from certain lands, and possess a house and jewels to the value of Rupees 2,700.

From Collector 23rd July 1846,
From Board to Government 4th January 1847.
From Government 23rd March 1847.
From Collector 21st June 1847.
From Board to Government 29th July 1847.
From Government 31st August 1847.

5. From the correspondence noted in the margin the pension in question appears to be one of several which were continued without authority by former Collectors to certain members of the surviving family of Mutturamalinga Setupaty, deposed Poligar of Ramnad, and which the Board proposed should be continued for life, in their remarks on the Collector's List which accompanied his letter dated 23rd July 1846, and was submitted to Government in the Board's letter, No. 9, dated 4th January 1847. The Orders of Government dated the 23rd March and 31st August 1847, quoted by Mr. Levinge as the authority on which the pension was paid to the deceased, merely sanction the payments included in the List above referred to, and authorize the Civil Auditor to pass them with certain reductions for the future, so that the pension might be considered to have lapsed to Government on the death of the last incumbent; but as he has left a widowed daughter (entered as No. 5 in paragraph 2 above), who was wholly dependant on him for support, the Board recommend that Rupees 6 per mensem be continued to her for life from the 13th May last, the date of her father's decease.

No. 389. ORDER THEREON, 30th November 1863, No. 2,154.
