Secretary to Govt N.D.

Sir,

I regret to say that in my letter of the 16th July last to the Collectors of the Madras District I miscalculated the time still required to complete the Survey of the Tondiarpeto Division of the Madras Town Survey. I find that there is still sufficient work to occupy the small Establishment employed on it for a further period of three months from the expiration of last sanction viz to the 31st January 1864.

2. I have therefore the honor to request the sanction of Govt to the continuance of the Establishment to that date The sum of Rs 1028 being still unexpended from the budget of the current year no additional grant of money is necessary

I have the honor to be
