Proceedings of the Madras Government, Revenue Department, 2nd December 1863.

No. 27. Read the following Proceedings of the Board of Revenue, dated 26th October 1863, No. 6,858 :—

Read again Tabular Report, dated 13th August 1863, from the Acting Collector of the Godavery District, on a lapsed Yeomiah in the Kota Ramachendrapuram Talook of his District.

(In Cons. 21st August 1863, No. 5,399.)

1. Ordered that the report recorded above be submitted for the consideration and orders of Government.

2. In paragraph 5 of the Extract from Minutes of Consultation, dated 20th June 1848, passing orders on the Board's report on certain Ináms which were granted by the former Zemindars of Kotah and Ramachendrapuram, and were resumed at various periods at the pleasure of the Zemindars, money payments being made in lieu to the Inámdars, the Government directed that the Collector should not interfere with the allowances to Pagodas entered in his Statement No. 2, which accompanied the Board's report, and that the allowances to private individuals shown in the same Statement should be continued during their lives, the Collector "reporting, when lapses occur, such cases as may call for an extension of the bounty of Government."

3. In a later Order No. 36, dated 5th January 1855, reviewing the report of the Commissioner of the Northern Circars, on the same Ináms, the Government observed in paragraph 7, "The "allowances appertaining to the life grantees will be continued to them, reports being furnished "to Government as lapses occur; but the Collector will not report any of such cases when the "value of the lapsed share is below 7 Rupees per annum. It cannot be necessary to continue "such petty payments, and they may be resumed as they fall in."

4. The allowance, the lapse of which is now reported, is Rupees 28 per annum; and the deceased has left two sons aged sixty and fifty-five years respectively; but as these persons possess other Ináms to the net annual value of Rupees 79-8-0,* the Acting Collector states that he refrains from recommending the continuance of the Yeomiah now in question.

5. In consideration of the advanced age of the sons of the deceased, and of the smallness of the means on which they depend for subsistence, the Board recommend that the allowance of 28 Rupees be continued to them in equal shares, each share to lapse (without further report from the Collector) on the death of its recipient.

No. 28. ORDER THEREON, 2nd December 1863, No. 2,177.

On the recommendation of the Board of Revenue, His Excellency in Council sanctions the continuance of the allowance of Rupees 28 per annum, granted originally in lieu of resumed Ináms in the Kota Ramachendrapuram Talook, Godavery District, in equal shares to Vemuganti Venkatakristnama Charlu and Vemuganti Rama Charlu sons of the last holder V. Narasimha Charlu, each share to lapse, without further report, on the death of the recipient.

The allowance enjoyed by the deceased amounting to Rupees 28 was at first fixed by a former Zemindar of the estates of Kota and Ramachendrapuram in lieu of A. 10 C. 16 of Inam which he had resumed. This item will be found in Statement No. 3 submitted by Mr. H. Forbes, Sub-Collector, when in charge of the District. The sanction of Government for its continuance to Vemuganti Narishimhyacharyulu for life is contained in paragraph 5 of Extract from Minutes of Consultation dated 20th June 1848. The grant was for life only. The parties possess certain Inam lands for their subsistence. The Acting Collector does not think that the allowance can be claimed as a matter of right, and therefore refrains from recommending its continuance.		

1. The Acting Collector will please to state under what order or with what intention he submitted the above Statement. It seems sufficient to correct the Yeomiah Register when lapses occur in grants, which Government have expressly limited to the lives of the late holders.

2. The annual submission of the corrected Yeomiah List is a sufficient report.
