EDUCATIONAL DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from E. B. POWELL, Esq., Director of Public Instruction; to the Chief Secretary to Government, Fort Saint George, dated Madras, 15th September 1863, No. 1,898.

I have the honor to address you in connexion with Order of Government, No. 109, of the 18th April last, by which the building formerly used as a Taluq Cutcherry at Ralanghi was placed at the disposal of the Educational Department, pending receipt of a report from Major Macdonald "on the expediency or otherwise of its permanent occupation by the Ralanghi School."

2. It will be seen from Major Macdonald's report,* herewith submitted, that the building is not well adapted for a School and that, though it is superior to anything which could be provided for Rupees 200, the sum available at present for a School-house, it would be decidedly dear at Rupees 935.

* Requested to be returned.

3. Considering then that the Inspector does not think any great increase of scholars is to be expected for some time at the Taluq School, while the number on the roll at the last inspection was only 28 and the average attendance according to the last quarterly return did not exceed 19, I feel unable to recommend the purchase of the building for this Department at a cost of Rupees 935.

4. I trust, however, that, if the Cutcherry be put up to auction, and purchased by the Zemindar for Rupees 500 or 600, Government will be pleased to issue a building grant equal to the purchase money, in case of the Taluq School gaining considerably increased development and standing in urgent need of a School-building.

ORDER THEREON, 18th September 1863, No. 230.

As it appears that the building referred to is not well adapted for the Taluq School at Ralanghi, orders as to its disposal will be issued in the Revenue Department.

2. Any recommendation the Director of Public Instruction may deem it proper to make in regard to the erection of a new School-house will be disposed of on its merits and irrespectively of the price which the Taluq Cutcherry may fetch at auction.
