Proceedings of the Madras Government, Revenue Department, 7th December 1863.

No. 115. Read the following Proceedings of the Board of Revenue, dated 24th November 1863, No. 7,460 :—

Read the following letter from E. B. FOORD, Esq., Acting Collector of the Kistna District, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Masulipatam, 5th November 1863, No. 248.

SIR,

1. Agreeably to paragraph 85, Chapter V of the Public Works Code, I have the honor to forward herewith an Estimate, amounting to Rupees 1,167, for erecting a new Sea Customs House at Nizampatam, together with a plan of the building.

2. The Sea Customs Office at Nizampatam is now held in the Salt Ameen's Cutcherry at that station, which is about a mile distant from the landing place, and consequently quite out of the way, and very inconvenient for shippers and others who have business with the Sea Customs Office. For want of a separate building, the dutiable goods landed are, it appears, now secured in Merchants' private godowns, till the duty thereon is settled.

3. Under the above explanation, I request the Board will obtain the Government's sanction for the amount of the Estimate in question.

ENCLOSURES Nos. 1 & 2.—Plan and Estimate.

Submitted for the sanction of Government. The necessity for the building is apparent. The plan is unobjectionable, and the Estimate moderate.

No. 116. ORDER THEREON, 7th December 1863, No. 2,221.

The construction of a new Sea Custom House is sanctioned. The Plan and Estimate will be considered and orders passed on them in the Department Public Works.
