No. 145. Read the following letter from W. HUDLESTON, Esq., Secretary to the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 1st December 1863, No. 7,571 :—

SIR,

1. With reference to the Despatch from the Right Honorable Secretary of State for India, and Orders of the Supreme Government, communicated with the Proceedings of this Government, dated 6th August 1863, No. 1,464, I am directed by the Board of Revenue to submit the accompanying Statement showing the extent of waste lands sold in the several Districts of this Presidency, distinguishing the sales to Europeans from those to Natives. The Return embraces all the years from 1858 to 1862 inclusive, and the first nine months of the current year 1863. As the information had to be brought down to the latest date, *i. e.*, to the end of September last, the Collectors could not furnish their Returns to this Office immediately on the receipt of the Board's Circular on the subject. The extent of land sold for building sites and other purposes, under the Freehold Rules of August 1859, is included in the present Statement.

2. The Districts noted in the margin in which no sales took place are excluded. Of the extent sold in the remaining Districts, from 1858 to September 1863, the proportion of land sold to Europeans is smaller than that to Natives. The bulk of the sales took place in Coimbatore, being 2,571 Acres out of 3,841 sold in the entire Presidency.
