SIR,

With reference to the Proceedings of the Board of Revenue, dated the 16th April 1863, I have the honor to forward a Plan and Estimate, amounting to Rupees 30,000, for the formation of a nursery for breeding Oysters in the inner harbour of Tuticorin, just received from the Superintending Engineer of the Division, and I beg to draw the attention of the Board to my letter of the 13th instant, No. 433, pointing out the necessity for commencing the work in question without delay.

Submitted for the sanction of Government, a sum of Rupees 10,000 is provided in the Revised Budget of Pearl Fishery charges of the current year for the work which ought to be commenced with the least possible delay to save the season.
