Proceedings of the Madras Government, Revenue Department, 10th December 1863.

Read the following :—

No. 180. Proceedings of the Board of Revenue, dated 14th November 1863.

Read the following letter from G. BANBURY, Esq., Acting Collector of Madras, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Sydapet, 11th November 1863, No. 484.

SIR,

1. The Tahsildar of Conjeveram being about to move into his new Cutcherry quarters, the building hitherto occupied by him will be vacated, and the Board would, I presume, wish it to be disposed of at auction. The Engineer Department have fixed the upset price at Rupees 800.

2. Dr. Shortt has however represented to me, that the Apothecary attached to the Conjeveram Dispensary has no place at all available for a residence, and that the Dispensary Committee would be willing to give Rupees 5 per month as rent for the building in question, or purchase it outright for Rupees 500. Dr. Shortt also requests that as it is for a charitable purpose, his application may be favorably regarded.

3. I have, therefore, the honor to solicit the Board's instructions, as to whether the building is to be disposed of at a comparatively low rate for a charitable purpose, or whether it is to be sold to the highest bidder. I anticipate it would easily realize more than the upset price now fixed.

Ordered that Dr. Shortt's application be submitted for the favorable consideration of Government, on the understanding that the building is not required for any Government purpose in another Department, which the Acting Collector should at once ascertain.

No. 181. Proceedings of the Board of Revenue, dated 30th November 1863.

Read the following letter from G. BANBURY, Esq., Acting Collector of Madras, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Sydapet, 26th November 1863, No. 513.

SIR,

On the receipt of the Board's Proceedings No. 7,261 of the 14th instant, I have the honor to state that I communicated with the Superintendent of Police and the Director of Public Instruction ; they inform me that the old Talook Cutcherry at Conjeveram is not required for any purpose in their respective Departments.

Submitted to Government in continuation of the Board's Proceedings quoted by the Acting Collector.

No. 182. ORDER THEREON, 10th December 1863, No. 2,254.

1. These Proceedings relate to the disposal of the old Talook Cutcherry at Conjeveram, which is now not needed for any Government purpose. Dr. Shortt, on behalf of the Conjeveram Dispensary Committee, offers to buy the building for Rupees 500, the Engineer's valuation being Rupees 800, or to rent it at 5 Rupees per mensem, as a residence for the Apothecary attached to the Dispensary. The Board of Revenue recommend this application for the favorable consideration of Government.

2. It is so much an object to encourage such Institutions as Dispensaries that the Government are willing to place the building at the disposal of the Committee rent-free, on condition of their keeping it in good repair, and returning it so when no longer required. The Board will instruct the Collector accordingly.

For Orders

Re Shutter on Verandah of the Engineers Residence at Conjeveram to keep the Building for Rs 500 – the Superintendent valuing it at Rs 800 – or to remit Rent at 8% per annum – and a Reduction for the Rattans –

It is proper under the circumstances that this Building should be disposed of, and I would therefore recommend that the Engineer be allowed to purchase it at the valuation.
