## *Proceedings of the Madras Government, Revenue Department, 14th December* 1863.

No. 226. Read the following letter from Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Camp Mooda Bidree, South Canara, 21st November 1863, No. 742 :—

SIR,

Adverting to paragraph 6 of the Government Order No. 1,090 of the 5th of November 1863, I have the honor to bring to your notice that the Forest Department has for upwards of three years employed an Establishment exclusively for the Sholahs about Ootacamund; two Foresters are employed, and a considerable sum of money is expended in planting and conservation in general; in the event therefore of the ground occupied by these Sholahs being required by Government for Chinchona or other purposes, and the wood being felled and sold by auction, it seems but fair that the Forest Department should be credited with the proceeds; if it is otherwise the Department will experience difficulty in covering its expenses, or be debarred from carrying out its planting operations to the extent necessary.

---

No. 227. ORDER THEREON, 14th December 1863, No. 2,277.

Captain Beddome can note in his Annual Report the sum realized by the sale of these Sholahs and of any others that may be sold under similar circumstances, mentioning also the amount spent by his Department in their conservancy and improvement.
