No. 236. Read the following letter from W. M. CADELL, Esq., Collector of Tanjore, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Vellum, 3rd December 1863, No. 1,212:—

SIR,

1. With reference to the Proceedings of Government dated the 9th ultimo, No. 2,014, I have the honor to state that the Return therein referred to was despatched to the Deputy Auditor and Accountant General on the 6th November last.

2. The particulars of refunds under the several rates of Income Tax required to be embodied for the years 1860-61, 1861-62 and 1862-63, not having been exhibited in the Treasury Accounts, it was necessary to compile the return from the records of the above three years, and a list prepared from the Treasury Accounts showing the total amount of refunds made during the above period.

3. The English correspondence was next examined for obtaining information regarding the several individuals to whom the refunds had been made, and after ascertaining from the Talooks the rates at which they had been assessed, the Return was submitted to the Acting Accountant General on the abovementioned date.

4. I beg also to add that at this juncture much of the time of the Account Department was taken up with the preparation of the Budget Statements and other important financial returns connected therewith in addition to the current work. I therefore regret that the transmission of the Income Tax return was so long delayed, but trust such delays will not again occur.

No. 237. ORDER THEREON, 14th December 1863, No. 2,282.

The explanation given in this letter is not satisfactory. Requisitions for important returns should be attended to without delay.

(True Extract.)

(Signed) J. D. SIM,
Secretary to Government.
