Proceedings of the Madras Government, Revenue Department, 14th December 1863.

No. 238. Read the following letter from Captain F. J. MOBERLY, R. E., Superintending Engineer, 8th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Madura, 24th November 1863, No. 1,275:—

SIR,

1. I have the honor to forward a Plan and Estimate* for a Talook Cutcherry at Ambasamudram, the Collector considers it very important that this work should be built as speedily as possible:

* Rupees 10,100.
ENCLOSURES 3.
1 Plan.
1 Report.
1 Abstract Estimate.

2. The Tahsildar now holds his Office in a Mandapam; he has no Record-room nor Prison, convicted prisoners are sent to Shermadavy, nine miles off; for persons under trial he has no accommodation.

3. The Estimate was prepared some time ago, but as I understood that the Collector wished for the Subsidiary Jails first I withheld it, he however presses me now to forward it.

4. His requisitions for Estimates amount to more than I believe there is any prospect of Government sanctioning, but I cannot procure from him any statement showing the order of their importance in his opinion. I must leave it therefore to the decision of Government.

Referred to the Revenue Department.
