Proceedings of the Madras Government, Revenue Department, 15th December 1863.

Read the following papers :—

No. 250. Telegram from Jul Fakkar-ool-Dowlah, eldest son of the late Jalara Dowlah, a member of the family of the Nabob of Masulipatam, to the Secretary to the Government, Madras, dated 7th November 1863.

Notwithstanding the favorable recommendation of the Madras Government to continue to me the pension of Rupees sixty allowed to my late father, the Supreme Government, I hear, sanctioned duly Rupees ten per mensem to the widow, and five Rupees each to the three daughters of my late father excluding me altogether. As the order of Supreme Government is a death-blow to my family, consisting of a large number of people including children, wholly depending on the bounty of the Honorable Government, I most respectfully pray the Madras Government will be graciously pleased to write once more to the Home Government to re-consider their order, and extend their clemency by granting me such pension as they think proper and so protect me and my four brothers, of whom one is mad, who are in extreme poverty.

No. 251. From E. B. FOORD, Esq., Acting Collector of the Kistna District, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Masulipatam, 30th November 1863, No. 25.

SIR,

1. With reference to your Official Memorandum, dated 10th instant, No. 244, I have the honor to state that I have caused Khan Sahib, one of the sons of the late Jalal-ood-Dowlah to be examined by the Civil Surgeon, and enclose a Certificate from that Officer to the effect that Khan Sahib is insane.

2. The refusal of the Government of India to sanction the continuance of pensions to the male members of the family has caused them much distress, as it was totally unexpected, and is without precedent.

3. The late Jalal-ood-Dowlah left nothing at his decease but debts, and the family are entirely destitute of all means of livelihood; and having been brought up under the expectation that a portion at least of their father's pension would be continued to them, they look upon its total discontinuance as a breach of faith.

I do hereby certify that I have examined Khan Sahib, one of the sons of the late Jalal-ood-Dowlah, and I am of opinion that he is insane.

Acting Civil Surgeon, Masulipatam.

The Secretary to the Government of India.

SIR,

1. I am directed to address you again on the subject of the Resolution of the Government of India in the Financial Department, dated 8th August last, No. 3,693.

2. The orders in question were duly communicated to the family of the late Jalal-ul-Dowlah, and subsequently a telegram was received from the eldest son of the deceased imploring this Government to solicit a re-consideration of the case. In consequence of a statement made by Julfukker-ood-Dowlah that one of his four brothers is mad, the Collector of the Kistna District was directed to enquire into the truth of the allegation, and from his report it appears that one of the sons of the late pensioner is undoubtedly insane.

3. In forwarding copies of the correspondence I am directed to request that under the circumstances of the case, His Excellency the Governor General in Council will at least be pleased to grant a pension of 10 Rupees per mensem to this individual, Khan Sahib, on the ground of his insanity and with effect from 11th January 1863. It will appear from my former letter as well as from the papers now sent that the family is utterly destitute.

4. The allowance now asked for will, if granted, make up the whole amount continued for the benefit of the family to Rupees 35, or a little more than half the original pension enjoyed by by Jalal-ul-Dowlah.

I have the honor to be,
Sir,
Your most obedient servant,
