Proceedings of the Madras Government, Revenue Department, 15th December 1863.

No. 272. Read the following letter from W. HUDLESTON, Esq., Secretary to the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 11th December 1863 :—

SIR,

1. With reference to the Proceedings of Government, dated 10th September 1863, No. 1,675, approving the submission by the Board of a list of works considered necessary for the development of the Salt Revenue of the Madras Presidency, I am directed by the Board of Revenue to forward two Statements, for 11 out of the 12 Salt Districts, one showing the original works required and the other the repairs to be executed in 1864-65.

2. The Statement for South Arcot will be forwarded so soon as received.

3. The Board do not feel sure that in every case in which the Estimate has been already sanctioned by Government, the fact has been stated in the "Remarks" column of the present list, but if anywhere omitted, it will doubtless be readily ascertainable from the Superintending Engineer's Budget in the Department of Public Works where the subject must be finally disposed of.

4. The following Abstract exhibits in one view the proposed charge and the per centage it bears to the Salt Revenue of Fusly 1272.

I do not propose any rule specific order, for fear of hampering Col Orr — when the Budget is submitted to Govt they can see that the Salt Dept receives the attention it needs, so far as other demands & the funds permit
