PUBLIC DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from Major F. J. B. PRIESTLEY, Superintendent Revenue Survey; to J. D. SIM, Esq., Secretary to Government, Revenue Department, dated Chepauk, 17th November 1863, No. $\frac{855}{46}$.

Difficulty being met with in procuring a building fit for the Survey Office at Palamcottah, I have the honor to solicit permission to occupy the house now used as a Post Office (borne on the returns as that of the Commanding Officer).

2. The house in question has been applied for as a Police Office; but as that Department have already in their possession a Station house, a place of arms, and a house used as an office, their necessity is, I should say, not very urgent. Captain Barber, Deputy Superintendent Revenue Survey, Tinnevelly District, on the other hand, reports that he finds it impossible to keep maps and records dry in the house now occupied as a Survey Office.

3. The present Post Office is, it appears, much larger than requisite and sufficient accommodation might be provided for it in the Arsenal, or the Commissariat Stores removed to the Arsenal, and the building in which these Stores are kept converted into a Post Office.

4. It is, I imagine, unnecessary to represent that a roomy, light and weather-proof building is required for a Survey Office whenever obtainable, and that loss to Government is caused by keeping Survey maps and records in a damp or dilapidated house.

Transferred to the Public Department.

(Signed) C. G. MASTER,
Deputy Secretary to Government.

20th November 1863.
