Proceedings of the Madras Government, Revenue Department, 21st December 1863.

No. 371. Read the following letter from J. A. BOSWELL, Esq., Madras Civil Service, to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George, dated Chingleput, 5th December 1863:—

SIR,

With reference to the Secretary of State for India's Despatch No. 22, dated 10th August 1861, permitting Officers of the Covenanted Civil Service to acquire and possess lands any where out of the Presidency to which they are attached, and further with reference to his subsequent Despatch No. 29, dated 30th November 1861, permitting Officers of the Bengal Civil Service attached to the Lower Provinces to acquire and hold lands in the Upper Provinces, and similarly those attached to the upper to hold lands in the lower, I have the honor to request permission from the Madras Government as a Member of the Madras Civil Service, to purchase a piece of forest land in Coorg for the purpose of a Coffee Plantation. As Coorg is not within the limits of the Civil Administration of this Presidency and as no Civilians of the Madras Establishment are employed in any Civil capacity in the Province, I would presume that the spirit of the modification contained in the Secretary of State's second Despatch (above referred to) would rule the subject of the present application.

No. 372. ORDER THEREON, 21st December 1863, No. 2,351.

Despatch 25th November 1862, No. 22, paragraph 4.

Mr. Boswell will be informed that the Home Government have expressly refused to allow Covenanted Madras Civilians to hold lands in Mysore, Coorg, Cochin or Travancore.
