No. 25. Read the following letter from L. BOWRING, Esq., Commissioner for Coorg, to J. D. SIM, Esq., Secretary to Government, Fort Saint George, dated Bangalore, 29th January 1863, No. 9:—

SIR,

1. In reply to your letter No. 161A, dated 26th instant, I have the honor to state for the information of His Excellency in Council that, as observed in my letter, No. 7, dated 2nd September 1862, the Government of India sanctioned the establishment referred to in Major Priestley's letter No. 653, dated 1st August 1862, paragraph 6. This includes, I presume, the officials referred to in Major Priestley's letter No. 84/5, dated 20th January 1863.

2. The Government of India directed that the supervision of the Coorg Survey should be under the Officer who might conduct the Revenue Survey of Mysore; but as I have suggested to the Government of India that the operations of that Survey should commence at Hurihur under the superintendence of Major Anderson, it would be obviously inconvenient that the Survey of Coffee Estates in Coorg should be under him. I should prefer therefore, with the concurrence of His Excellency in Council, that Major Priestley should exercise a control over the Coorg Survey, in communication with the Commissioner. If His Excellency in Council agrees with me on this point, I propose to address the Government of India accordingly.

No. 26. ORDER THEREON, 4th February 1863, No. 235.

Ordered to be communicated to the Superintendent of Revenue Survey, with reference to paragraph 2 of his letter dated 20th January 1863, No. 84. Major Priestley will report whether he can supervise the Coorg Surveys without detriment to his other duties.

(Signed.) J. D. SIM,
Secretary to Government.
