*Proceedings of the Madras Government, Revenue Department,
5th February 1863.*

No. 56. Read the following letter from the Honorable C. PELLY, Member of the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, dated Madras, 17th January 1863, No. 1,440:—

SIR,

1. I have the honor to acknowledge the receipt of the Order of Government, dated 13th instant, No 80; the Collector of Malabar strongly recommends the location of a Postal Gumáshta at Sultan's Battery in the Wynad Talook. This place contains a population of about 17,000 persons, and there are I believe several Coffee planters in its vicinity. A local post would no doubt be very convenient, and as Government are giving every encouragement for developing the resources of this Talook, I would beg to support the Collector's recommendation. The cost of a Gumáshta would be 15 Rupees a month, which charge could be met for the present year out of the large provision made in the Budget for 1862-63 on account of District Tappal establishments.

2. The Budget for 1863-64 contains provision for the new scale of postal establishment, and the small addition now proposed may possibly be met out of any savings, that may occur during the year.

No. 57. ORDER THEREON, 5th February 1863, No. 250.

1. The Government sanction the entertainment of a Postal Gumáshta on a salary of Rupees (15) fifteen per mensem to be located at Sultan's Battery in the Wynad Talook.

2. This sanction will be reported to the Government of India in the monthly Statement.
