*Proceedings of the Madras Government, Revenue Department,
6th February 1863.*

No. 102. Read the following Proceedings of the Board of Revenue, dated 19th January 1863 :—
Read Proceedings of the Madras Government, dated 13th January 1863, No. 73.

(In Cons. 15th January 1863, No. 239.)

1. Ordered that a Circular Order be prepared and issued as desired by Government. The Board however beg leave to remark that they have never arrogated to themselves more than what is admitted by the Advocate General and Government, viz., the authority to adjudicate in doubtful cases on individual applications.

2. On paragraph 3 of Mr. Smyth's opinion the Board desire to observe, to prevent any change of misconstruction, that they do not deny the possibility of the proprietary right in particular land vesting in the individual who is also Zemindar. They fully admit that he can acquire and possess it. But the right so acquired or possessed, as for instance in Kummattum lands, is perfectly distinct from the rights appertaining to him as Zemindar, and it was to these last rights in relation to occupied lands that the Board's remark was intended to apply.
