Proceedings of the Madras Government, Revenue Department, 8th January 1863.

No. 53. Read the following letter from Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, dated Camp Periacolum, 4th December 1862, No. 291:—

SIR,

With regard to paragraph 2 of the Government Order, No. 2,433 of the 18th of November 1862, I have the honor to forward Tabular Statements, &c., of the increased establishments proposed for South Canara and Wainád. I have also added the same for Nellumbúr, South Arcot and Hunsúr, for although these charges are met out of the Budget grant for the present year, they appear as additional charges in the Budget for 1863-64.

No. 51. ORDER THEREON, 8th January 1863, No. 28.

1. Pursuant to paragraph 2 of the Order of Government 18th November 1862, No. 2,433 the Officiating Conservator of Forests submits a Tabular Statement of the increased establishments proposed for the South Canara and Wainád forests.

2. Under the circumstances explained by Captain Beddome in his letters of 30th October last, Nos. 213 and 214, and in the present Tabular Statement, the Governor in Council resolves to apply to the Government of India for sanction for the establishments in question at an additional monthly cost of Rupees 227 for the forests in South Canara, and of Rupees 63 for those in Wainád; the sanction to take effect, as proposed from 1st May 1863.

3. The Statement, it is observed, includes also the undermentioned establishments, the charges on account of which are to be met from grants in the current year's Budget.

Hunsúr. Forests.

1 Overseer	80
1 Duffadar	16
2 Peons at 7 Rupees each	14
2 Curumbers at 5 Rupees each	10
	120

Nellumbúr Plantation.

1 Sub-Assistant Conservator in lieu of the Sub-Conservator on Rupees 50	180

South Arcot Forests.

1 Overseer	30

Of these items, those relating to the Hunsúr forests and Nellumbúr plantation were sanctioned by this Government in November last,* and have been included in the Statement for that month to be submitted to the Government of India. The establishment for South Arcot, viz., an Overseer on Rupees 30 per mensem, which is hereby sanctioned, will be included in the Statement for the current month. To meet this latter charge in the ensuing official year, Captain Beddome, in paragraph 2 of the Memorandum submitted with his present letter, states that Rupees 24 have been entered in the Budget for that year, and that the remaining 6 Rupees can be met out of the working charges of the forests. This course is irregular. The entry in the Budget has been altered in the Government Office so as to provide for the full amount of the Overseer's salary, viz., Rupees 30 per mensem.

* G. O. 17th and 22nd November 1862, Nos. 2,426 and 2,464.

(Signed) J. D. SIM,
Secretary to Government.

Ordered that the following letter be despatched.

No. 55. From J. D. SIM, Esq., Secretary to the Government of Fort Saint George, to the Secretary to the Government of India, Department of Public Works, dated 8th January 1863, No. 29:—

SIR,

1. I am directed to submit for the favorable consideration and orders of the Government of India a Tabular application in the prescribed form for increased establishments for the South Canara and Wainád forests.

2. The South Canara forests have not hitherto had a sufficient establishment; smuggling has not in consequence been properly checked; and of the twenty rivers in the District running from the Ghâts to the coast only seven have as yet been properly guarded. Another Talook (Cundapoor) has this year been added to the District and operations on an enlarged scale are also contemplated. The revenue the Acting Conservator expects will be raised from less than Rupees 10,000, its present amount, to about Rupees 30,000. In respect to the Wainád forests, all that has hitherto been done has been to guard against clandestine felling and to sell dry ringed teak; but it is now proposed to work the forests systematically. Captain Beddome states that there is a ready market for Teak, and he estimates the ensuing year's revenue at Rupees 42,000.

3. In their Budget Estimates of Revenue for 1863-64 the Government have set down the receipts of these forests at Rupees 50,000, as it is not safe to reckon in the first year on such largely increased sales as the Acting Conservator expects. The Government are satisfied however of the necessity of the proposed establishments and therefore direct me to submit their recommendation that sanction may be granted for the establishments in question at an additional monthly cost of Rupees 227 for the forests in South Canara, and of Rupees 63 for those in Wainád; the sanction to take effect from 1st May 1863. Provision for these charges has been made in the Budget for 1863-64.
