*Proceedings of the Madras Government, Revenue Department,
7th February 1863.*

No. 117. Read the following letter from Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Camp Ootacamund, 29th December 1862, No. 323 :—

SIR,

With reference to paragraph 10 of the Government Order, No. 894 of the 25th April 1862, I have the honor to inform you that that portion of the Anamallay forests, lying between the Anagoondy pass and the Coomoolar river, and which Captain Brine alludes to as being very rich in Teak and Blackwood, belongs to the Cochin Government. The boundary line of this portion of the forest was for some time in dispute, and the tract alluded to was stated by the Kaders (the hill tribe) to belong to Government. The question was referred, some six years ago, when Captain Michael was in charge of the forests, to Captain (now Colonel) Horsley of the Engineers, and it was decided by existing Maps that it belonged to Cochin.
