PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following :—

Petition from Mrs. Virginia Peters, Secunderabad, 13th January 1863; *to the Secretary to Government, Military Department, Fort Saint George.*

I beg to bring to your notice that my husband named Thompson Peters, Pensioned Clerk of the Government Office, ever since he obtained his Pension, he was to remit me monthly 16 Rupees for the support of myself and a son, and this he continued for some years; but now he is so irregular in remitting me any support at all, and this his irregularity is now elapsed one year. Since his Pension, he made an agreement with me, never to follow him to any country he proceeded, but to live upon what he remitted monthly, and I find him to be a travelling man. I stayed at Madras for some years, and am at present putting up with my son, an Artificer of the Ordnance Department, who is on the salary of 15 Rupees at Secunderabad, and having on my hands another boy of 13 years of age; we now both are a great burden to my son in Secunderabad, who is also a family man, and my husband alone is now enjoying his Pension without making any remittance to me, his lawful wife. I beg that you will pity my case and cause Mr. Peters to continue his monthly remittance, and remit me also the one year's remittance which he enjoyed himself, as I am at present left in an inexpressible distress, and for which act of kind benevolence, I shall ever feel thankful—at the same time having no other source left, I apply to you to do me the needful.

ORDER, No. 399, *4th February* 1863.

Communicated to the Revenue Department, with a view to the Collector of North Arcot, from whose Treasury Pensioned Clerk Thompson Peters, late of the Government Office, Military Department, draws his stipend, being requested to call upon the Pensioner for an explanation of the allegation against him, for the information of Government.
