*Proceedings of the Madras Government, Revenue Department,
11th February 1863.*

No. 167. *PROCEEDINGS OF THE MADRAS GOVERNMENT.*

Dated 11th February 1863, No. 305.

It is observed that of late several applications have from time to time been submitted by the Officiating Conservator of Forests on account of establishments for the Forest Conservancy Department, and have been acceded to by the Government. This practice however has caused considerable inconvenience, and it is desirable that the expenditure on this account during the ensuing official year should be restricted. With this view the Government request the Officiating Conservator to prepare and forward as early as practicable an accurate Statement showing in detail the Forest establishments sanctioned by the Government of India and this Government up to the present date, including those awaiting the sanction of the former.

(Signed.) J. D. SIM,
Secretary to Government.

With this view the Govt
request the Officiating
Commissioner to prepare
and forward as early
as practicable an accu-
rate statement showing
in detail the ^{Forest} Establish-

Govt of India and their
Govt up to the present
date, including those
