No. 176. Read the following letter from Captain C. V. WILKIESON, R. E., Acting Deputy Chief Engineer, Central Circle, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Public Works Department, dated Chepauk, 27th January 1863, No. 323 :—

1 Letter from the Acting District Engineer, Madras, No. 1,416, dated 27th November 1862.
1 Estimate.
1 Specification.
1 Sketch.

SIR,

1. I have the honor to forward for sanction an estimate, amounting to Rupees 300, for improving the drainage of the Salt Platform at Homes' Gardens. An estimate of Rupees 11,500 for Platforms and channels was sanctioned on the 12th December 1860, No. 2,558, and the work was completed on the 31st May last with a saving of Rupees 1,440-6-3.

2. The District Engineer now finds that the new drainage is too circuitous and is apt to silt up by which the Platforms might be flooded; the above estimate is to make the channels more direct as explained in Report and shown on Sketch.

3. I beg sanction for this estimate of Rupees 300, to be taken out of the surplus from the former sanction.

Referred to the Revenue Department. As the saving referred to is not available, the amount if sanctioned, must be granted from the Reserve.
