Proceedings of the Madras Government, Revenue Department, 11th February 1863.

No. 178. Read the following Proceedings of the Board of Revenue, dated 20th January 1863, No. 320 :—

Read again letter from the Acting Collector of the Kistna District, dated 17th October 1862, No. 254.

(In Cons. 22nd October 1862, No. 6,746.)

Read also the following letter from the same Officer, dated 13th November 1862, No. 283.

1. With reference to the Board's Proceedings dated 4th instant, No. 7,279, I have the honor to state that the sum of Rupees 1,543-13-7, alluded to therein, was the amount of compensation for channel injured lands, ordered to be reduced from the Peshkush of four Estates as follows :—

	RS.	A.	P.
1. Nuzid Zemindary	1,047	14	11
2. Chevendra do.	41	0	9
3. Devaracotta do.	412	8	0
Total...	1,501	7	8
4. Royaveram, Proprietary village	42	5	11
Total...	1,543	13	7

2. The first total only was entered in the Statement which accompanied my letter of 17th October last, No. 254, as it was intended to show only those Estates to which Moturpha remissions were paid. Royaveram was not entered in it, because no reduction was to be made in its Peshkush on account of Moturpha. Hence the difference of Rupees 42-5-11 between the two sums referred to in the Proceedings under acknowledgment.

1. In communicating to the Collector the orders of Government regarding the adjustment of the sum paid annually in the Kistna District to certain Zemindars as compensation for Moturpha resumed, the Board in their Proceedings dated 24th September 1862, No. 6,407, inquired why this compensation should not be adjusted once for all by a reduction of Peshkush. With reference to this the Collector submitted with the first letter a Statement showing the amount of deduction to be made on account of compensation for lands taken up for the Anicut channels, and on account of the Moturpha resumption. The deduction on account of the former item has already been sanctioned by Government in their Order dated 22nd September 1862, No. 2,061; but as the amount entered in the Statement differed from the sum actually sanctioned by Government, explanation was called for on this point, and from the second letter above recorded, it appears that in the Statement in question the amount sanctioned for Royaveram proprietary village was not entered, as no Moturpha compensation is paid in this case.

2. The reduction on account of lands taken up for channels having been already sanctioned by Government as above noted, it was not necessary for the Collector to include it in the Statement. The compensation annually paid to the Zemindars on account of Moturpha compensation amounts to Rupees 2,477-15-9, and in order to avoid annual adjustments in the accounts, the Board request the sanction of Government for a reduction on the Peshkush of the several Estates noted in the margin to the extent there shown, from the commencement of the current Fasli 1272.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 4th November 1862.

Read the following letter from E. B. FOORD, Esq., Acting Collector of the Kistna District, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Masulipatam, 17th October 1862, No. 254:—

1. With reference to the orders of the Board dated 24th September, appended to the Proceedings of Government of 20th idem, calling for explanation as to why the Moturpha remission, payable to Zemindars, is not adjusted once for all by a reduction of Peshcush, I have the honor to report that it has been usual to debit the Moturpha remission to the State funds, and to credit it to the Peshcush.

2. I beg leave to submit herewith a Statement showing the Peshcush* for Fasli 1271 of the different Estates in this District, the amount to be deducted on account of compensation for lands taken up for the anicut channels in three estates under the orders of Government dated 22nd September 1862, and on account of Moturpha remission in question. Column 7 in the Statement contains the remaining Peshcush to be collected from Fasli 1272; the Kistbundy of which is given in the subsequent columns. I beg you will obtain the Board's sanction for carrying out the proposed arrangement.

ENCLOSURE No. 1.

ABSTRACT.—Statement showing the Peshcush of 1271, the item to be deducted from it, and the remaining Peshcush of the several Zemindaries in the Kistna District.

Proposed by the Collector.	RS.	A.	P.

Added by Board for waste lands..	33	5	9

The Board observe that in the orders of Government dated 22nd September 1862, Revenue Department, No. 2,061, sanction was accorded for a reduction in the Peshcush payable by four proprietors to the extent of Rupees 1,543-13-7, as shown in the margin; but in column two of the Statement received with the foregoing letter the reduction of Peshcush is given at Rupees 1,501-7-8 payable by only three proprietors. Before passing orders therefore on this application, the Collector is requested to explain the discrepancy pointed out above.
