No. 180. Read the following letter from A. HATHAWAY, Esq., Collector of Bellary, to J. D. SIM, Esq., Secretary to Government, Department Public Works, Madras, dated Camp Madaksera, 21st January 1863, No. 2 :—

SIR,

1. I have the honor to suggest the advisability of Government pressing upon His Highness the Nizam the urgency that exists of putting in good repair that portion of the road between Bellary and Sholapoor which passes through the Raichur Doab.

2. The distance from Chickajentakul on the border of the Bellary District, to Chitapur on the border of the Sholapoor Collectorate, is about 72 miles. Between Chitapur and Jalikotta, intervene about 30 miles of unmade road; and from Jalikotta to Sholapoor (nearly 100 miles), there is a made fair-weather road through black cotton soil, which in the monsoon is barely passable.

3. At present, as witnessed by myself in April and July of last year, and as reported to me by Major Wyndham, Commandant of Lingasugur, a very great number of Cotton bandies pass along this route to the Railway station at Sholapoor; and were the road throughout put into, and maintained in good order, it would doubtless (in addition to the benefit conferred upon travellers) give a considerable stimulus to the growth and export of Cotton.

No. 181. ORDER THEREON, 11th February 1863, No. 312.

A copy of the Collector's letter will be communicated to the Resident and his intervention requested.

(Signed.) J. D. SIM,
Secretary to Government.
