Proceedings of the Madras Government, Revenue Department, 12th February 1863.

No. 189. Read the following Proceedings of the Board of Revenue, dated 23rd January 1863, No. 444 :—

Read the following letter from P. GRANT, Esq., Collector of Coimbatore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 16th January 1863, No. 6.

SIR,

1. I have received the Board's Proceedings of the 18th ultimo, communicating the Order of Government dated 15th idem, No. 2,305, sanctioning the sale of the Bungalow at Dharapoorum by public auction at an upset price of 1,000 Rupees. This includes the old Jummabundy Cutcherry* also close to the Bungalow.

* Vide paragraph 2 of Board's Proceedings dated 28th November 1862, No. 7,847.

2. The District Engineer wants the old Jummabundy Cutcherry for the use of his Department, as will be seen from the accompanying copy of his letter and its enclosure dated 6th instant, No. 403. The Assistant District Engineer, Mr. Lawford, states that if the above building is transferred to the Department Public Works, "it would answer every purpose as a store; thus "obviating any additional expense."

3. Under the circumstances represented, I think the transfer advisable, and accordingly request the sanction of Government for the same, in which case it is necessary that the estimated value of the building, say 150 Rupees, should be deducted from the upset price of the Bungalow, which should consequently be reduced from 1,000 to 850 Rupees.

4. On the receipt of final orders on this reference, I will advertise the sale of the Bungalow in my District Gazette and in those of Salem and Madura Districts as already directed.

ENCLOSURE No. 1.

From Colonel C. E. FABER, R. E., District Engineer of Coimbatore, to P. GRANT, Esq., Collector of Coimbatore, dated 6th January 1863, No. 403.

1. In herewith forwarding extract of a letter, No. 181, dated 23rd December 1862, from the 1st Assistant District Engineer, I have the honor to request you to inform me whether there is any objection to your kindly making over the building called "the Jummabundy Cutcherry" at Dharapoorum, to Mr. Lawford under the circumstances.

2. The transfer, if only for a season, would be a great accommodation, and should there be no material objection, I trust you will kindly give the necessary orders to your local Revenue Officers.

EXTRACT from a letter, No. 181, dated 23rd December 1862, from A. LAWFORD, Esq., First Assistant District Engineer, to Colonel C. E. FABER, R. E., District Engineer of Coimbatore.

In the Dharapoorum Talook if the Collector would hand over to our Department the Jummabundy Cutcherry which appeared from the correspondence regarding the Bungalow not to be required by the Sub-Collector, it would answer every purpose as a store, thus obviating any additional expense. I should therefore feel obliged if you would make application for its transfer.
