Proceedings of the Madras Government, Revenue Department, 12th February 1863.

No. 197. Read the following letter from Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, dated Camp Manantoddy, 23rd January 1863, No. 358 :—

SIR,

1. There is forest of considerable value in the Bolumpatty valley and on the slopes of the Coimbatore hills ; the right of felling in these forests was leased by Mr. Thomas, the late Collector of Coimbatore, to a Mr. Bake, a Timber Merchant, this lease has just expired and the Collector reports that he is willing to hand over the forest to our Department.

2. It is desirable that this tract be put under regular conservancy rules, the chief timbers are Blackwood and Vengay, much of which has been felled in late years, but there are numerous saplings comming on ; as this tract of forest is in Captain Michael's District, I have the honor to suggest that it be put under his supervision, and that the voucher and license system be put in force ; beyond the services of a Native Maistry, or of two Peons, no establishment will be required.

No. 198. ORDER THEREON, 12th February 1863, No. 321.
